

# Legal support and advice

We know that when you're focused on caring for your child, dealing with legal matters can feel overwhelming, especially if it's something you've never had to think about before. That's why Lia's Wings is here to make things as simple, reassuring, and stress-free as possible.

## How we can help

If we believe you could benefit from speaking to one of our trusted legal partners for practical advice and support, we can offer to arrange a free, no-obligation phone call with them at a time that works for you. With your consent, they can call you to:

- Explain your legal options clearly
- Offer helpful, practical advice
- Answer any questions you might have

**There's no pressure to take anything forward, and you're always in control of the next steps.**

We hope this extra layer of support gives you peace of mind and lets you focus on supporting your family.

## Our partners

To help provide expert legal support, we work closely with three of the UK's top law firms:

fletchers  
solicitors

HORWICH  
COHEN  
COGHLAN  
SOLICITORS

**HUGHJAMES**

Each of these firms brings valuable knowledge and experience and, most importantly, a deep passion for helping children and families. They've partnered with us to offer free, confidential legal advice to any of our beneficiaries who may need it.

These firms don't just offer their legal expertise; they're also proud supporters of Lia's Wings. From fundraising to event sponsorship and volunteering, they're helping us reach more families and fly more children to receive the care they need. We're so grateful for their generosity and shared commitment to our mission.
